

#EUMillennialsTOUR PROJECT

EUmillennialsTOUR

Programme of the industrial heritage pilot tour to Flanders

30.03 - 03.04.2016

Visiting group: students and lecturers of the Institut für Materielle Kultur - Carl von Ossietzky Universität, Oldenburg (Germany)

Organisation and co-ordination:

- [VVIA](#), Flemish Association for Industrial Archaeology, East Flanders chapter and West-Flanders chapter
- [VGK](#), history students association Ghent University

> for [E-FAITH](#), *European Federation of Associations of Industrial and Technical Heritage*

The [EUMillennialsTOUR](#) project aims at developing transnational tourism products mixing together culture, education, knowledge capitalization and entrepreneurship up-skilling. It is co-funded by the COSME programme of the European Union.

The idea is to offer an immersive learning/ creative trip addressed to the edu/ school-trip tourism market field, thus comprising hands-on curriculum-linked activities addressed to youth, in particular those involved in the cultural and creative sector aged from 15-18 and from 19-25.
